ETSU Women's Basketball "Education Day"

When: November 21<sup>st</sup>, 2019

Time: 10:00-1:00

Location: Brook's Gym on ETSU Campus

The ETSU women's basketball program is inviting University School, along with other surrounding elementary schools, to the ETSU campus for a special Education Day on Thursday, November 21st, 2019. All students from Kindergarten- 5<sup>th</sup> grade will have the opportunity to come enjoy a FREE basketball games as the Buccaneers face Radford inside Brooks Gym.

Students will need to pack a lunch. Concession stands will be open; however, as in the past when we go on a field trip or special event, we do not allow students to purchase extra items. Parents should provide extra snacks for their children in their lunch because we will be there for good amount of time. Our goal is to make this event as memorable as possible, and help inspire children to see what their own futures may hold.

Again, FREE admission will be for those students and faculty associated with University School. All parents and guardians are welcomed. We are asking that any parent or guardian that would like to attend the game to please meet us at school no later than 10:00. We will walk over to Brooks Gym shortly after 10:00. This will help us ensure that you will have a seat with your child. Again parents, if you wish to attend, please remember our policy on buying extra items for your child.
