

Second Grade Newsletter
Friday, February 14, 2020

Dear Families,

We have been wrapping up our learning about government. We have learned so much! I look forward to you receiving their discovery journals at the end of the school year so you can see all of the awesome learning, writing reflections on learning, and problem solving they have accomplished.

In Math we worked hard on recording and analyzing data and we have moved into telling time. We will continue telling time next week. Practice at home!

We are working hard on our reading, writing, inferring, and comprehension skills in Language Arts. They have taken off this quarter in amazing ways and I am so proud of them.

😊 Dr. Kelli

Questions to Ask Your Child:

- What is a producer? What is a consumer? How do they work together in our economy?
- How does a bill become a law?
- Show them an analog clock and ask them to tell you the time.

Announcements:

- Thank you for everyone that helped make our Valentine's Day party a lot of fun!
- There will be a blood drive on February 27th. Contact Ms. Cradic to donate.
- Jump for Heart will be next Friday, February 21st. I will let you know the times next week and you are welcome to pop in and visit the festivities.
- Thank you to Ashley Grindstaff for volunteering to coordinate our auction basket for the upcoming Bluegrass at the Barn spring fundraiser hosted by the University School foundation. More info on how you can help will come home soon.
- I am extending the Scholastic book order to Monday, February 17th so you have the weekend if you are interested in ordering books for you child. The link is on the Bloomz app.
