

## **Second Grade Newsletter**

**Friday, January 31, 2020**

Dear Families,

This week we have continued learning about our government. We have focused on the branches of government, rights and responsibilities, and the Bill of Rights. Next week we will focus in on how a bill becomes a law and producers and consumers.

In Math we have moved into recording and analyzing data. We will continue to work on this next week.

In Language Arts we have been focusing on learning to make inferences using schema. We have really worked on our critical thinking skills and applying that to further develop comprehension strategies.

☺ Dr. Kelli

### **Questions to Ask Your Child:**

- What have you learned about the the branches of government?
- What is the Bill of Rights?
- What are rights and responsibilities?
- How have you been recording and analyzing data in math?
- What is the difference in a picture graph and a bar graph?
- What does it mean to infer?
- What is schema?
- Tell me about your inference stations.

### **Announcements:**

- We will be out of school on Monday, February 3<sup>rd</sup>.
- We will be having a Valentine's Day party on February 14<sup>th</sup>. A sign up will come home one day next week.
