Dear Families,

We had a great first day of school in second grade! I am looking forward to the year ahead with this great group of kids! We welcomed our new teaching assistant, Misty Cole, and our new ETSU residency student, Kalya Runyan, to our class today. We are excited to have them with us!

This is your child's homework folder. It should go home and come back every day. We don't have homework today, but I want students to practice taking it home, showing you this letter and the other notes enclosed, and returning the folder to the correct bin by themselves tomorrow.

More news and info will come home in the following days. Please let me know if you did not get the second grade welcome letter and supply list. You can email me anytime at barnettk@etsu.edu. I try to check my email a couple of times a day when school is in session. Also please see the enclosed instructions to sign up for the Bloomz parent communication app. This will be the primary way I communicate class news and announcements with you.

Welcome,

Dr. Kelli
