

July 11, 2019

Dear Families,

It was another great day in second grade. We have three important announcements to share with you:

1. Please sign up for our parent communication app BLOOMZ if you haven't already. We will be moving away from hard copies of announcements for a lot of things and towards more digital communication in the next few days. We want you to be in the loop. Instructions for how to sign up went home yesterday. If you need another set of instructions please put a note in your child's folder and return to school or you can email me at barnettk@etsu.edu.
2. Please sign the enclosed Responsible Use Policy and go over the policy with your child (in a way they can understand) and have them sign this and return it to school as soon as possible. This is a school required form before your child will be allowed to use our classroom ipads. The ipads are here and being set up for our students. We will be 1 to 1 with ipads in our classroom this year. We are very excited.
3. If you are interested in after school care the forms to complete are in the office and more information can be found on our school website at www.usbucs.com

Thank you & have a great night,

Dr. Kelli
