## **Annual Second Grade Tie-Dye T-Shirt Project**

Dear Families,

Every year the Second Graders create t-shirts to celebrate our year together. Horton Sports Plus supplies us with t-shirts and printing for a discounted price and we then tie-dye our t-shirts as a class project. The t-shirts will be printed with:

University School  
Class of 2026

In the past many parents have ordered shirts for themselves and have also ordered smaller shirts for their child now and larger ones for their child when they are a senior. You are welcome to do this if you would like. Your child will tie-dye any shirts they order themselves.

We would like every child to have a shirt to tie-dye and keep so if you cannot pay for a shirt please go ahead and mark a size on this form and we will get the funds for the shirt another way.

Please mark all sizes you would like to order below and pay \$7 per shirt by next Friday. This money covers the cost of the shirt, printing, and tie dye materials. Please do not make checks to University School. You can either send cash, make checks to Horton Sports, or make checks to Kelli Barnett.

When selecting a size please remember sometimes shirts shrink a little in the tie dye process. For this reason I have taken youth small off as an option- they have just come out too small for even smallest of second graders in the past.
