

Ashley Pierce

Master of Science in Elementary Education

Pierceac2@etsu.edu

I am a certified K-6th grade educator with 8 years of experience and enthusiasm for teaching students vital skills for development and future success. I have experience teaching students with emotional and social exceptionalities and experience at a title 1, high ESL school. Working at a title 1 school makes me knowledgeable in inclusion of all students with diverse cultures, languages, and backgrounds. In my teaching career, I have had the opportunity to work with multiple grade levels and positions in a school community. My experiences have allowed me to teach PreK-8th grade students, plan, collaborate, and analyze data across all grade levels. I am a highly motivated, enthusiastic, and dedicated educator who wants all children to be successful independent learners.
