

# Book Challenge

2015-2016

During the school year students will complete a book challenge. They are required to read a required number of books throughout the year. There assignment is to read 6 books per quarter. There are specific genres they are required to read. During the 4 different quarters there are assigned due dates. Please have your child show you their Reader's Notebook, the examples that were given to them, the genre checklist, due dates, grading rubric, and the parent signature page.

Students are required to respond after each book that they read. The responses will be genre specific and students must follow all directions to receive full credit for the response. The responses must be recorded in the correct section of their reader's notebook.

Students have the opportunity to earn 16 points for each book read and project completed. Over the course of each 9 weeks; students will have the opportunity to earn 96 points for the book challenge. This grade will count as a project grade. If all 6 books per 9 weeks are not completed by the due date, students will only receive points for work completed.

There will be 3 points deducted for each day the project is turned in past its due date. Please encourage your child to read every day and work on their book challenge!

Please sign, detach and return:

---

Parent: \_\_\_\_\_ Date: \_\_\_\_\_

I have seen the guidelines and will encourage my child along their book challenge journey.

Student: \_\_\_\_\_ Date: \_\_\_\_\_

I will take the challenge which will make me even smarter!
