

Dear Families of Juniors,

Junior students are invited to attend Project Graduation for a fee of \$10. This allows juniors to spend time with their friends who are in the graduating senior class. Project Graduation takes place after Graduation on June 1. It is an event designed to keep our children safe while celebrating a big milestone in their lives. It is officially a school-sanctioned event, which means that school staff, in addition to Officer Hudson, will be on site and will support parent chaperones. If a student decides to attend Project Graduation, then she/he is committing to staying the **ENTIRE** night.

We are very grateful for the school's support and appreciate the commitment to our children's safety.

Sincerely,

Neil Owen, Kim Bushore-Maki, Patty Wessner, Amy Benton, Michele Somich and Jamie McGill
