

Classroom supplies for Algebra I

Students are required to bring the following supplies to class daily:

Algebra Notebook (designated for math only)

Pencil

Eraser

Ink Pen

Notebook Paper

Graph Paper

Textbook

****If you choose to purchase a calculator for use at home, I suggest the Texas Instruments TI-84 Plus. We will use TI-84 Plus calculators in class. The TI-84 Plus calculator is currently approved for use on the End of Course mathematics tests in Tennessee as well as the ACT Exam. Students benefit from consistently using a familiar calculator.**
