

## **Equation Puzzle Project**

### **Algebra I**

**Student Expectations:** Each student will construct a puzzle which solves an equation. Each student will create an equation independently. Students are encouraged to check the answer to verify that it is correct prior to finishing the puzzle. Students may solicit fellow students for feedback prior to the due date. Students are encouraged to peruse the rubric as a guide. Once submitted, the puzzle may not be changed.

**This project is due** \_\_\_\_\_.

**This project is worth 60 points. (60 points = 100 %)**

#### **Pointers from class discussion**

Things to avoid

Things to include

**All questions pertaining to the project will be addressed as a class. There will be a page on my website for project questions and answers. (Q & A) If you have a question, please e-mail Mrs. Summey with EQUATION PROJECT as the subject.**
