Dear Applicant:

Thank you for your interest in our YMCA programs. The attached financial assistance application needs to be completed, with special attention on the amount you could pay per week for the YMCA program you have chosen. Please also complete the attached program application for each child entering the program. Additional forms are available in person or online.

**Important information for the financial assistance process:**

- If you have a valid child care certificate from the Department of Human Services, you do not need to apply for financial assistance, but you must present a valid certificate for the school your child attends for the current school year. The \$20 registration fee per child still applies if you are not a Y member.
- The Y needs your most recent tax forms as proof of income of all adults living in the household. All adults in the household must be working to qualify for Y financial aid for our child care programs.
- For the Afterschool program, certain schools may have additional grant money available to help you cover costs.
- If you are not working, but feel you have a special circumstance that may qualify you for assistance, we will certainly take that into consideration.

**Please note the importance of providing accurate information to respect the Y's values of caring, honesty, respect and responsibility.**

Depending on the volume of applications, it may take up to 5 business days for your application to be processed. If you have any questions, please feel free to call Sarah Nuckles at 423.765.9719 or email her at [snuckles@ymcakpt.org](mailto:snuckles@ymcakpt.org).

Again, thank you for choosing the Y.
